Welcome, to First Baptist, we hope that you will consider yourself our special guest. There is a special card located in the pew rack with contacts for our ministry teams and staff. Please take a moment and fill out the top portion of that card and place it in the offering plate. Thank you and may God bless you!

THANK YOU, THANK YOU, THANK YOU!

December has been a very busy month for our church family. Bill and Sharron Henry coordinated our Bell-ringing Saturday at Bomgaars. Gratefully, we got to stand inside to ring on that windy day. Thank you to all of the persons who rang the bells! Jerrilyn and Dave Crankshaw headed the team of elves that provided food and/or presents for some of our own church family and several families which we adopted from the Salvation Army. Thank you to all of you who helped on the project and for your generosity in providing what was needed. The Living Christmas Tree involved nearly all of us at some point. A huge thank you goes to Linda Logsdon, our director, Brittany McDaniel, the script writer, and Todd Turner, the coordinator of lights, sound and stage. Thank you also to the adult and children's choirs, the drama team, the prelude musicians, the technical team, the church staff, the ticket handlers, the set-up and take-down crews, the ushers, the nursery providers, the reception workers, the drama team, and the cookie bakers. Over 600 people were blessed by the presentation and we received many words of thanks and appreciation from some of those who attended each evening. To God be the glory for all that has been done in His name this Advent season!
